

## TCKs in a Changing World

20-24 May 2019

Friolzheim, Germany

## **Navigating the Currents of Change**

Whether it be in the areas of faith, sexuality, geopolitics or technology, our world is changing faster than any time in human history. Join us as we brainstorm together on how Third Culture Kids can thrive in today's changing world.

EuroTCK is a conference for all people with a heart for Third Culture Kids, whether you have TCK responsibility within your organisation, mission or church, whether you are a dorm parent, teacher, re-entry camp staffer or provide any form of TCK Care. Adult TCKs not involved with any organisation are also welcome.
