## www.shareeducation.org

SHARE Education Services helps expatriate families living in Europe, Russia, and Central Asia with their children's education needs. With a caring, compassionate staff of educators and years of international experience, we understand the joys and challenges of raising a family in a cross-cultural environment. We offer help in a variety of areas, including:

- Choosing a schooling option
- Deciding what curriculum to use
- Support through transitions
- Determining learning issues and challenges
- Resource help

And so much more! Whatever your concern is regarding your child's education, SHARE Education Services is here for you.

Welcome to Secure AERC!

Members, please log in to the right.

The Asia Education Resource Consortium (AERC) exists to meet the educational needs of many expatriate families living in Asia. It provides important support and targeted services through a network of regional conferences, family consultations, testing services, resource centers, and online resources. Members can learn more about AERC by logging in and visiting the various pages of this web site.

Learn more about us by clicking on a topic to the left, or [contact us](#) for more information.
